### **Magicians help out local Food Pantries**

The International Brotherhood of Magicians will be hosting their Annual Magic Stage Contest on June 25, 2006 at the West County YMCA Community Theatre in Chesterfield, MO at 3 PM. Magicians from all over the Metro area will converge on Chesterfield to present an afternoon of fun, laughter and of course Magic! They are directing their efforts to helping local food pantries. Admission to the show will be a can of food. The Magic Club has donated thousands of cans of food to local pantries in the past and we want to keep that tradition going. Not only will you see a great magic show by some very talented magicians but you will be helping out the much needed food pantries of the area. The show will be great for the entire family. Children must be accompanied by an adult.

The International Brotherhood of Magicians travel around performing shows for schools corporate events, fundraisers and Shriner's Children's Hospital. The organization is open to all that are interested in magic. For more information call 314-791-9108.
